You're invited to enter a section of the tunnels to witness the secrets of the tunnels firsthand. Your guide will also show you various mantraps employed from this period, the remains of an American tank and numerous B52 bomb craters. There is also the opportunity to fire an M60, M16 or AK47 rifle at the range next to the tunnel complex.

After returning to Saigon, learn about the city's historic landmarks as you tour the city with your guide. Visit the former Presidential Palace, headquarters to the Saigon Government during the Vietnam-American war.
